Preface

The coins offered here for sale include a very strong representation of material from the Netherlands, Netherlands West and East Indies, Belgium, France, Poland and Poland under Russia.

A feature of the collection is that in addition to many Crown sized pieces there is a very full range of minor denominations in choice condition, many of which are very difficult to obtain.

The general condition of the coins is unusually good and many examples are in a condition superior to those which normally come on the market.

Some of the rarities which should have special individual mention are the following: —

Kingdom of Holland, Louis Napoleon, Rijksdaalder 1809.

France, Louis XVI Royal Ecu of 1792 A.

France, An interesting group of silver Pattern five and one francs of Napoleon III.

France, A piedfort striking of the gold 100 francs, 1929.

A series of V.O.C. coins and the Netherlands West Indies 3 Guilders of 1794.

Also from the series of Polish coins:—

Lithuania, Siege Thaler of 1564.

Danzig, Double Thaler of 1650.

Danzig, Thaler of 1685.

Danzig, Gold 4 Ducats of John Casimir, undated.

Stanislaus August I, Ducat 1766.

AND

Russia, The Family $1\frac{1}{2}$ Rouble of 1836.

Sale Catalogues

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of sales of important Collections.

Catalogue Subscriptions
Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of 'Prices Realised' are issued after each Sale, thus given in books of reference, for changing times and fashions value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of 'Prices Realised' will probably be enclosed in a following Sale Catalogue.

Subscription Rates (*commencing from 1st January*)
Coin Catalogues and subsequent list of Prices Realised .. .. £3.00 per annum
Naval & Military Medal Catalogues and subsequent list of Prices Realised .. ..£0.75 per annum
(Reductions for new subscribers commencing after 1st April.)
All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

Air Mail
To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases an additional £2.00 should be sent as a deposit and we will advise when this is exhausted.
